The University of South Florida is a public institution and, with the exception of residence halls, is open to the public during the day and evening hours when classes are in session. After these hours, University buildings are generally locked and only faculty, staff and some students with proper identifi-

(Reported in accordance with Uniform Crime Reporting Program)

PROTECT YOURSELF

The University of South Florida has established standards of conduct concerning the possession, sale, serving and consumption of alcoholic beverages and drugs on the University of South Florida campus. These policies and rules reflect a concern for the health and safety of the campus community and apply to University faculty, students, staff, visitors and guests.

- First-year students: The first 6 weeks of enrollment are critical to first-year student success. Because many students initiate heavy drinking during these early days of college, the potential exists for excessive alcohol consumption.
