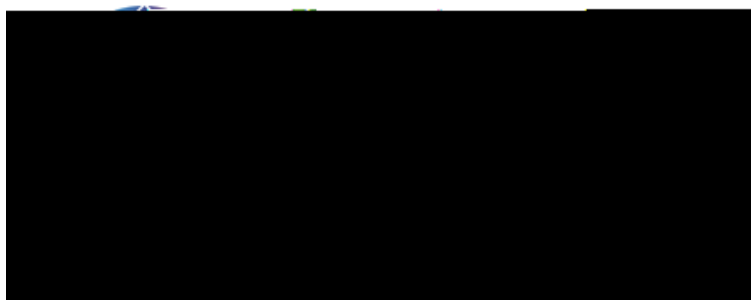
GLOBAL ACADEMIC PARTNERSHIPS



INTERNATIONAL TRAVEL

USF has signed a service a new international support (International SoS) and international health and safety insurance policy (Gallagher is the broker and insurance is from Zurich).

Wider network of dedicated health and security professionals on-call around the world allowing for greater pre-travel advice, as well as monitoring of active medical, mental health, and security cases.

- Dedicated academic (vs. corporate) call number and chat options make it easier to get support.
- Stronger in-house security and risk services including traveler tracking (GPS monitoring attached to the ISoS app), push notifications to travelers regarding civil unrest, strikes, weather alerts etc., electronic check-ins etc.
- app), push not.3 (enthyr)-ger is
